CANCELLATION OF
STRIKE FOR Y10
STUDENTS TUESDAY
11TH JUNE

Kia ora whanau

It has been said that the true mark of character is not what we have but what we give away. Generosity is one of the greatest virtues. Often it is simply a matter of seeing a need, being blessed with the resources required to meet that need, and then actually acting to meet it. We can all think about ways to help others.

Jonas Salk made no money from his vaccine for polio even though he could have made a huge fortune. He said, "the people own the patent. Could you patent the sun?" Likewise, Marie Curie refused to patent her process for radium or Roentgen for his discovery of X-rays. The makers of Volvo cars invented the lap and diagonal seat belt and made the invention freely available to the world. Mahatma Gandhi knew that poor people scavenged for whatever they could find along the railway tracks in India. One day when he was boarding a train, one of his shoes fell off and landed underneath the carriage. He immediately took off the other shoe and threw it on to the track also. When asked why he answered that when a poor man found the shoes he would have a complete pair to wear instead of just one. There are two types of values. Held values are what people say. Operational values are what people do. We say we are not bigoted. But in the privacy of a private conversation with close friends, we let a racist joke escape our lips. We say we care about the future of the planet but we drop our rubbish. We say we care for other people but we make sure we push to the head of the queue. Generosity is the glue that keeps our held values and our operational values together. Money is not the key to generosity. The size of your heart determines the extent of your generosity.

IMPORTANT DATES

Friday 7th June	Senior Reports out
Tuesday 11th June	Senior Parent Teacher Interviews
	School finishes at 2pm—see below
Friday 14th June	Junior Reports out
Tuesday 18th June	Junior Parent Teacher Interviews
Friday 5th July	End of Term 2
Monday 22nd July	Start of Term 3

SENIOR PARENT TEACHER INTERVIEWS

Year 11, 12 and 13 students are invited to Parent Teacher Interviews on **Tuesday 11th June between 3.15pm—6.45pm.**

Please note school will have 5 shortened periods and finish at 2pm.

Please bring your son or daughter to discuss academic progress with their subject Teacher.

You can book appointments online at www.schoolinterviews.co.nz using the booking code: **3d4ya**

The portal is now open for bookings.

If you are unable to make it to an interview on this day, please contact the subject Teacher to arrange another time.

Senior Reports will be emailed home on **Friday 7th June.**

SEVEN SHARP ASB GOOD AS GOLD

Congratulations to Zac Morton and Matthys Wessels, recipients of the ASB Good As Gold award of \$5,000 each!

The boys have been helping their friend Jacob Lane with Powerchair Football. Jacob will represent NZ in Sydney this October. With the award money the Zac and Matthys can now travel with Jacob to support and cheer him on.

*Junior Girls Team—Back L-R: Maya Van der Boom, Danielle Ruiter, Ayla Rowe, Mikayla McChesney, Alexandra Kay
Front L-R: Nikia Davis, Aria Dalglish, Caitlyn Esterhuizen, Brodie Bishop*

UNDERWATER HOCKEY BOYS'

The Trident UWH boys' team played in the B grade and won silver at the Nationals! They went undefeated every game until the final where they lost 1-0. "A close game and a bit heart breaking but still fun" says Seth Hands. Congratulations team!

Senior Open A Team—Back L-R: Paul Gebert (Coach), Cole Hands, Finn McCleary, Max Waugh, Alex Macdonald, Seth Hands, Jeff Lee (TIC) Front L-R: William Coulter, Tanekaha Bullard-Hape, Llew Waugh, Joel Blackwood.

3D MULTISPORT / NATIONAL SECONDARY SCHOOLS MULTISPORT CHAMPIONSHIPS

On Sunday 2nd June, we had 11 Trident students compete in the 3D multisport event in Rotorua. Zoe Christie and Talia Good placed 2nd and 3rd in the U16 10km trail run and Josh Barry placed 5th in the U16 30km Mountain bike race. We had two students who competed in the NZ Secondary School 30km Multisport Championships. Caitlyn Esterhuizen placed 1st in the U14 Women and Finn McCleary placed 5th in the U19 Men. We also had two teams entered in the NZ Secondary Schools Multisport 30km Championships. The U16 team of Michael Esterhuizen, Bailey Fredericksen and Jack Wilson placed 1st in the U16 Mens' team race. The U19 team of Claye Williams, Max Humpherson and Luke Seufert placed 1st in the U19 Mens' team race. Congratulations to all these students on their great results!

BOYS' HOCKEY REPORT

The boys' travelled to Rotorua last night to play Rotorua Boys High School , we had anticipated that this would be a tough close battle.

Trident started out strong demonstrating some great skill this was rewarded with a PC Goal from Vance Harvey then RBHS answered back with a stroke goal taking us to 1—1 at half time.

After a team talk at half time the boys went out in the second half ready to fight hard for the win.

A nice goal by Josh Cairns (first of the season for him) took the score to 2—1 giving the boys the edge they needed to stay on top and keep RBHS scoreless in the second half. This has secured the boys a place in the Top 4 of the local competition enabling them to play in the Midlands Intercity Competition in Term 3. This will give them the chance to play some high ranked teams to prepare for National Tournament.

Next week we have Taupo-nui-a-Tia College in Rotorua again 5.45pm.

2019 NZ PROVINCIAL VOLLEYBALL CUP

Congratulations to the following 16 students who went to Wellington for 4 nights to play in the 2019 NZ Provincial Volleyball Cup!

Trident students made up a good portion of the

Bay of Plenty teams and we are super proud of them all. Many of our players came home with medals, including GOLD for 4 of them! Well done to all who travelled to Wellington and played over the weekend.

U17 Womens' A team we had Reyce Kururangi, Shakira McDonald and Abbie Wilson. This team placed with BRONZE medals.

U17s Womens' Development team we had Shauna Gray, Catriona Jobe, Sabian Clarke and Anamia Paul - this team placed 7th.

U17 Mens' A team we had Salem Tuae and Kani Paniora. This team won GOLD medals!

U19 Womens' A team we had Kalani Ruri. Kalani's team won SILVER medals.

U19 Womens' Development team we had Sommer Curtis, Jasmine Westrupp and Khiarna Williams. This team placed 7th.

U19 Mens A team we had Tom Vos and Chicane Paniora. This team won GOLD medals.

U19 Mens Development team we had Eruera Carter. His team placed 8th.

To top off these results we also have Reyce Kururangi, Kalani Ruri and Salem Tuae who made the tournament team for their respective age groups. This means they are in the top 7 NZ players in their age groups. Well done to all!

WEEKEND GAMES

EDUCATION OUTSIDE THE CLASSROOM—VISIT TO THE MANAWAHE ECO TRUST CENTRE

On Tuesday 4th of June, the Year 13 and Year 10 TAM classes went to the Manawahe Eco Trust Centre, which was an old Primary school that closed down 10 years ago that had just 1 classroom, the Principal's house, a small field, court and playground. We met Mrs Dobbin and Mr Dobbin there who organised the trip for us.

We were split into 5 groups consisting of about 4 Year 13 and 4 Year 10 students in each group. From here we rotated around 5 different activities which involved teamwork to get us working together to solve problems. School groups have previously, and continue to go to the Manawahe Eco Trust where they have been improving the place by weeding it, planting gardens and much more. They have also turned the Principal's house into bunk rooms so that school camps can stay over night.

Our first activity was digging a garden in a unique shape which would be planted in by another school group. From there we went to our second activity where we had to use several objects to get across to the playground without touching the ground. Once we were all at the top of the playground we had to wrap our egg in various items so that it would not crack when we dropped it from the top of the playground. Our 3rd activity was at the front of the Principal's house where a bunch of shapes were laid out on the grass. We had to try getting through the shapes by guessing which shape to stand on next, and memorising the order. We weren't allowed to talk and instead had to work together by using signals to help each other out. In our 4th activity we had to make a stretcher out of bamboo sticks, rope and cardboard to transport one of our team members around the field. We managed to get 2 people around the field before our stretcher broke. Our last activity was recording numbered trees around the place as fast as we could. We then were given leaves and had to identify which leaf matched each tree.

Thank you to Mrs Dobbin, Mr Moore, Mrs Emery, Miss Howe and Mr Dobbin for a fun experience to build our leadership and teamwork skills.
By Rhianna Hunt 13MY

The year 10 Great Barrier Island students took a trip to Manawahe last Tuesday 28th May to Thursday 30th May. This was a great opportunity for us to test ourselves and our raincoats for Great Barrier Island! Setting up our tents on Tuesday afternoon was tricky due to the weather and lack of teamwork, some groups had more luck than others. During our time at Manawahe we participated in many different fun activities such as trap setting, scavenger hunts, gardening, team building exercises and the most fun of all 6:45am lunch duties! On Thursday morning we got up early to catch the sunrise and packed up our campsite before heading to Lake Rotoma for a cold swim and sandwiches. Despite the rain we had a great time and can not wait for Great Barrier Island! Thank you to the Year 12s students and staff for making the camp as awesome as it was. By Tilah Beeching 10RO

KIA MANAWA NUI—HAVE COURAGE
