

Apex Class Application 2019

APEX classes are dedicated to academic excellence across all subject areas and students are given the opportunity to advance according to their proven ability and capacity in their subjects. In year 10 APEX students will sit a range of NCEA Level One standards; these will be both internal and external according to student ability and performance. Selection for APEX classes is determined by academic performance both recorded by incoming data from feeder schools and through an entrance test to be completed in Term 4. This will assess student ability in English, Mathematics and Reasoning. Retaining a place in the APEX form class will require students to maintain an excellent work ethic and perform to the best of their ability. Further places may become available in the APEX form class as the year progresses for students who demonstrate the academic ability required.

NAME _____ Intermediate School _____

The student is to complete the first part of the application

- Why would you like to be part of the APEX form class in 2019?
